AND WHEREAS, the matter was placed in 258th meeting of WRC held on August 22-24, 2016 and the Committee decided that "... Deficiency letter dt. 27/07/2015 was issued by NCTE Hqrs. The institution submitted the replies dt. 14/09/2015 and 17/09/2015 (papers were received in WRC on 26/07/2016). After examination of the replies of the institution to the deficiency letter, the following points emerge:-

i) **Engagement of faculty for all pedagogical courses & engagement of teacher with background in Science discipline :**

The institution has explained that for the session 2014-15, Science teacher was arranged by way of guest lecturer. It has also been written that recruitment process is going on, and the list of the persons will be forwarded.

This institution was recognized for B.Ed. in July 2008. It is strange that even though 8 years have passed regular staff approved by the University has not been appointed. Secondly, the reply in which the list of selected staff was promised to be sent is dated 14/17-September 2015. It is almost a year since this reply was received, but no list has been received till date. This situation is most unsatisfactory.

ii) **Improved service conditions :**

The institution has written that it will try to improve service conditions.

But no proof has been submitted as to what action is being taken. All teacher education institutions are bound to implement the Section 10(2) and (3) of the NCTE Regulations, 2014- payment of regular salary as per norms, and payment of EPF.

iii) **Improvement of Academic environment; preparation and implementation of annual institution development plan :**

The institution has claimed that it has organized Workshops and Seminars but no proof has been submitted. No reply has been submitted on institutional development plan. Thus, explanation is not satisfactory.

vi) **NAAC Accreditation :**

The institution has promised that it will apply for NAAC accreditation. Even though one year has passed, no communication has been received from the institution.

v) **Updation of Website:**

The institution has claimed that the website has been updated, but no proof has been submitted. Thus, explanation is not satisfactory.
