Sir,

NCTE vide Public Notice dt. 27.02.2015 had invited applications from the applicant Teacher Training Institutions for different Teacher Education Programmes for grant of recognition/permission for the academic session 2016-17.

The institutions submitted the applications and the same were processed. The institutions, whose applications were found complete as per NCTE Regulations, 2014 and the Norms and Standards thereunder, were granted recognition/permission from the academic session 2016-17.

The WRC in its 253rd meeting decided as under:

"The WRC while granting recognition for 2016-17 noticed that the institutions submitted the staff profile approved by the affiliating body within a short period of issue of the letter of intent. WRC, has, therefore, decided that in all cases in which recognition has been given for the academic session 2016-2017, a copy of the staff list submitted by the institution be sent to the concerned affiliating body to verify the signature and seal of the approving authority giving 30 days time. Similarly, a copy of the CLU(s), copy of the Minority Certificate in case of Minority institutions and a copy of the NOC of the affiliating body be sent to the Issuing Authorities for authentication giving 30 days time. The cases after expiry of a period of 30 days may be placed before the WRC for consideration and decision".

In view of the above, a copy of the CLU(s) of each of the institutions is enclosed, with the request to kindly verify that the CLU has been issued by your office as per the Number and date mentioned in the CLU.

The above information may kindly be sent within one month from the date of this letter, so that action u/s 17 of the NCTE Act, 1993 for withdrawal of recognition could be taken against the institutions which have submitted false documents besides taking other criminal action.

Yours faithfully,
